DRAFT — REQUIRES LEGAL REVIEW. This document has not been reviewed by an attorney. It must be reviewed against Saint Lucian law before any version of it is published to real users.

Welcome to SnapT. These Terms of Service ("Terms") govern your access to and use of the SnapT mobile application and related services (together, the "Platform"), operated by [SnapT legal entity name] ("SnapT," "we," "us"). By creating an account or using the Platform, you agree to these Terms.

These Terms work alongside, and incorporate by reference, SnapT's other published policies: the Privacy Policy, Cancellation & Refund Policy, Trust & Safety Policy, Content & Usage Policy, Payment & Payout Policy, Data Retention Policy, Minor Safety & Age Policy, Dispute Resolution Policy, and — for creators — the Creator Agreement and Background Check & Vetting Disclosure. Where a specific policy addresses a topic in more detail, that policy controls on that topic.

1. What SnapT is

SnapT is a marketplace that connects clients seeking photography/videography services with independent creators who provide those services, either in person or remotely (editing footage the client already has). **SnapT is not itself a photography or editing service provider.** Creators are independent contractors, not SnapT employees, as set out in the Creator Agreement.

2. Eligibility

You must be at least 18 years old to create an account or use the Platform. By using SnapT, you confirm you meet this requirement and that all information you provide is accurate.

3. Your account

3.1. You're responsible for keeping your login credentials secure and for all activity under your account.

3.2. You must provide accurate information and keep it up to date, including your name, contact details, and payment information.

3.3. One person, one account. You may not create multiple accounts to evade a suspension or enforcement action.

3.4. SnapT offers a single app with a client mode and a creator mode. Becoming a creator requires a separate application and vetting process described in the Creator Agreement.

4. Bookings, pricing, and payment

4.1. All prices on Snapt are standardized platform prices, shown in full (including the client service fee) before you confirm a booking. Full pricing and fee terms are in the Payment & Payout Policy.

4.2. Payment is collected at the time of booking through our payment processor. By booking, you authorize this charge.

4.3. Cancellations, rescheduling, and no-shows are governed by the Cancellation & Refund Policy — read it before booking, since fees may apply depending on timing.

5. Conduct

5.1. You agree to use the Platform lawfully and in line with the Trust & Safety Policy and Content & Usage Policy, including standards on harassment, safety, and what content may be created or uploaded through Snapt.

5.2. You agree not to: circumvent the Platform to transact with a creator or client off-app; misrepresent your identity; upload or request content that violates the Content & Usage Policy; interfere with the Platform's operation; or attempt to access another user's account or data.

5.3. Sessions involving anyone under 18 are subject to the Minor Safety & Age Policy without exception.

6. Content and intellectual property

6.1. Ownership of content created or edited through Snapt is governed by the Content & Usage Policy. In short: delivered final content belongs to the client; raw footage is retained on the Platform and never delivered to clients.

6.2. The Snapt name, logo, and app design are Snapt's intellectual property. You may not use them without permission, except as reasonably necessary to use the Platform as intended.

7. Disputes between users

Disagreements between a client and a creator about a booking are handled under the Dispute Resolution Policy. Snapt is not a party to the underlying service arrangement between client and creator, but provides this process to help resolve disputes fairly.

8. Disclaimers

8.1. Snapt facilitates bookings between independent creators and clients. **We do not guarantee the quality, safety, legality, or outcome of any session or delivered content**, beyond the specific commitments made in our published policies (such as the revision and dispute processes).

8.2. The Platform is provided "as is." We work to keep it available and accurate but do not guarantee uninterrupted or error-free service.

8.3. [Attorney to draft appropriate limitation-of-liability language consistent with Saint Lucian consumer protection law — a blanket disclaimer of all liability is unlikely to be enforceable or appropriate and is not included here as a placeholder for that reason.]

9. Suspension and termination

9.1. You may stop using the Platform or delete your account at any time (Profile → Delete Account), subject to completing or properly cancelling any open bookings.

9.2. We may suspend or terminate your account for violating these Terms or any incorporated policy, particularly the Trust & Safety Policy, Minor Safety & Age Policy, or Content & Usage Policy. Creator-specific consequences (strikes, suspension) are detailed in the Creator Agreement.

10. Changes to these Terms

We may update these Terms from time to time. Material changes will be communicated in the app, and — where legally required or where the change affects an active consent (such as the Creator Agreement) — may require your re-acceptance before you can continue certain activity on the Platform.

11. Governing law

These Terms are governed by the laws of **Saint Lucia**. [Attorney to confirm dispute forum/arbitration clause and interaction with the Dispute Resolution Policy's internal process.]
