

SnapT — Creator Agreement (Independent Contractor)

Effective date: [Insert date] **Between:** [SnapT legal entity name] ("SnapT", "we", "us") and the individual accepting this Agreement ("Creator", "you") **Contact:** hello@snaptcarib.app

DRAFT — REQUIRES LEGAL REVIEW. This document has material legal consequences, including contractor classification under Saint Lucian law. It must be reviewed by a qualified attorney before use.

This Agreement governs your participation as a content creator on the SnapT platform, whether providing in-person photo/video sessions, remote editing services, or both. You must accept this Agreement to be approved as a Creator. It applies in addition to the SnapT Terms of Service, Trust & Safety Policy, and other platform policies, all of which are incorporated by reference.

1. Independent contractor status

- 1.1. You provide services as an **independent contractor**. Nothing in this Agreement creates an employment, agency, partnership, or joint venture relationship between you and SnapT.
- 1.2. You are responsible for your own taxes, social security contributions, insurance, and equipment. SnapT does not withhold taxes from your payouts.
- 1.3. You control the manner in which you perform your services, subject to the quality and conduct standards in this Agreement. You choose your own working hours, availability, and service radius through the app.
- 1.4. You are free to provide photography, videography, or editing services outside the SnapT platform, subject to Section 7 (non-circumvention).

2. Eligibility and vetting

- 2.1. To become a Creator you must: be at least 18 years of age; complete the SnapT application process; provide accurate identity information; and, for in-person services, pass a background check as described in the SnapT Background Check & Vetting Disclosure.
- 2.2. Approval is at SnapT's discretion. We may decline an application or revoke Creator status where vetting results, conduct, or reliability standards are not met.
- 2.3. You must keep your identity, contact, and payout information accurate and current.

3. Services, pricing, and standards

- 3.1. **Standardized pricing.** All services on SnapT are offered at platform-set prices. You may not set your own rates, negotiate prices with clients, request additional payment from clients, or accept tips or off-platform payment for SnapT bookings.
- 3.2. **Service standards.** You agree to: arrive on time to confirmed sessions; complete the in-app check-in process, including the safety code verification; deliver work that meets the package specifications (including stated photo/video counts and delivery timelines);

communicate with clients professionally through in-app chat; and complete the included revision round in good faith where requested.

3.3. Deliverables. Raw footage must be submitted through the Creator submission flow. Finished edits must be uploaded through the Editing Workspace. Raw footage is never made available to clients; only final edited deliverables are.

4. Fees, payouts, and holding period

4.1. Platform fee. SnapT deducts a platform fee of **32%** from the gross session or order price. The remaining **68%** is your payout. SnapT may offer promotional (reduced) fee rates from time to time; where a promotional rate applies, it will be clearly shown in your Earnings screen.

4.2. SnapT may change the standard platform fee with at least 30 days' notice to Creators. The fee in effect at the time a booking is placed applies to that booking.

4.3. Holding period. Earnings from completed orders are held for **48-72 hours** after completion before becoming available for payout, to allow for revision requests and dispute checks.

4.4. Payout method. Payouts are made via Stripe Connect to your connected account, in USD. You are responsible for maintaining a valid payout account.

4.5. Amounts subject to an open dispute, chargeback, or investigation may be withheld until resolution.

5. Cancellations, reliability, and consequences

5.1. Clients rely on confirmed bookings. Cancelling a confirmed booking, or failing to attend one, harms clients and the platform.

5.2. Strike system. Creator cancellations are tracked on a rolling **60-day** window:

- **First cancellation:** logged warning.
- **Second cancellation:** reduced priority in client matching for **two weeks**.
- **Third cancellation:** suspension from receiving bookings for **one week**, applied platform-side.
- **Fourth cancellation or a continued pattern:** referral to manual review, which may result in permanent removal.

5.3. Late cancellations (less than 24 hours before the session) count as **two strikes**.

5.4. No-shows — failing to attend a confirmed session without cancelling — are treated as a higher-severity event than a cancellation and may result in immediate suspension pending review, including on a first occurrence.

5.5. Strikes expire out of the rolling window over time. You may contest a strike you believe was applied in error by contacting hello@snaptcariib.app; contested strikes are reviewed by SnapT, whose determination is final subject to the Dispute Resolution Policy.

5.6. If you cancel a confirmed booking, the client receives a full refund and you receive no payout for that booking.

6. Conduct and safety

6.1. You must comply with the Snapt Trust & Safety Policy at all times, including during sessions.

6.2. Prohibited conduct includes, without limitation: harassment or discrimination; arriving impaired; inappropriate physical contact or comments; photographing individuals without appropriate consent; sessions involving minors except in compliance with the Snapt Minor Safety & Age Policy; and any unlawful activity.

6.3. You must complete safety check-in procedures for every in-person session and must not begin a session without verifying the client's safety code.

6.4. Snapt may suspend or remove you immediately, without prior warning and notwithstanding the strike system, for conduct that endangers safety or violates law.

7. Non-circumvention

7.1. You may not solicit, encourage, or accept bookings or payment outside the platform from clients you met through Snapt, for a period of **12 months** after your last Snapt booking with that client. This includes sharing personal contact details for the purpose of off-platform booking.

7.2. This restriction protects the platform economics that fund vetting, matching, payments, and dispute protection. Breach is grounds for immediate removal and forfeiture of pending payouts related to the circumvented booking.

8. Content and intellectual property

8.1. **Client deliverables.** Upon completion and payment, the client receives ownership of (or, at minimum, a full, perpetual, worldwide licence to use) the final edited deliverables, as set out in the Snapt Content & Usage Policy.

8.2. **Raw footage.** Raw footage is retained within the platform per the Data Retention Policy. You may not distribute, publish, or reuse client raw footage or deliverables outside the platform without the client's written consent.

8.3. **Portfolio and marketing.** You may request client consent through the app to feature delivered work in your Snapt profile portfolio. Snapt may feature delivered work in platform marketing **only** where both you and the client have consented.

8.4. You warrant that work you deliver does not infringe any third party's rights and that any music, assets, or materials used in edits are properly licensed.

9. Insurance and liability

9.1. You are responsible for insuring your own equipment. Snapt is not liable for loss, theft, or damage to your equipment during sessions.

9.2. You are responsible for your own conduct and for exercising reasonable care during sessions. To the maximum extent permitted by law, you indemnify Snapt against claims arising from your negligence, misconduct, or breach of this Agreement.

10. Suspension, termination, and appeal

10.1. You may stop accepting bookings at any time using the availability toggle, and may terminate this Agreement at any time by written notice to hello@snaptcarib.app, subject to completing or lawfully cancelling any confirmed bookings.

10.2. Snapt may suspend or terminate this Agreement: (a) per the strike system in Section 5; (b) immediately for safety, legal, or fraud reasons; or (c) with 30 days' notice for any other reason.

10.3. On termination, pending payouts for properly completed work are paid out after the standard holding period, less any amounts withheld under Section 4.5.

10.4. Appeals of suspensions or removals may be submitted to hello@snaptcarib.app and are handled under the Dispute Resolution Policy.

11. General

11.1. This Agreement is governed by the laws of **Saint Lucia**. [Attorney to confirm dispute forum/arbitration clause.]

11.2. Snapt may update this Agreement with at least 30 days' notice. Continued use of the platform as a Creator after the effective date of changes constitutes acceptance.

11.3. If any provision is held unenforceable, the remainder continues in effect.

Accepted by the Creator electronically through the Snapt application flow. Date and identity of acceptance are recorded by the platform.
